Re: USA v. Koltun, 01 CTR 872 (JG)

Dear Judge Gleeson.

I write to request that the court adjourn the sentencing of Victor Koltun for two or three weeks. There are several reasons for this request. First, because of the holiday season and for personal reasons I have not yet completed a sentencing letter on behalf of my client. Second, I am awaiting the 5K1.1 letter from the government which I understand will be written after the New Year. I would like to review that letter with my client before I submit any written arguments to the court. Third, Mr. Koltun's sentencing is presently scheduled for January 13, 2006 at 2:00 P.M. This date is a Friday afternoon. As Your Honor is aware, Mr. Koltun is an Orthodox Jew. For religious and personal reasons, should The Court incarcerate him, he would very much appreciate it if this would not occur on the Jewish Sabbath.

I have discussed this adjournment with AUSA Sean Casey. He has no objections to my request.

Respectfully yours,

Marion Seltzer
